Dear Dr Bhumiratana,

On behalf of the APAC team at Times Higher Education (*THE*), I would like to congratulate King Mongkut's University of Technology Thonburi and acknowledge your achievement in placing 801-1000 in the 2019 *THE* World University Rankings.

Placement in the *THE* World University Rankings has become progressively more exacting and rigorous, with the challenge from Chinese universities who continue to rise significantly in position over recent years continuing as a major theme of our 2019 rankings. Your university's inclusion in this year's rankings demonstrates your dedication to excellence and is to be commended.

For the first time this year, *THE* ranked 1,200 institutions from across the globe. As the *THE* rankings continue to grow and our methodology evolves, the team at *THE* are dedicated to maintaining the integrity of our approach and delivering comprehensive insights and analyses to an extensive global audience including university leaders, students, captains of industry and governments.

To further support and continue partnerships with universities, *THE* is now pleased to offer a customised consultancy service. Our team can assist identify where focus is required by examining performance data, benchmarking alongside world best practice, introducing tangible strategies to align with performance planning and to direct resources and effort to achieving performance and operational goals.

Again, congratulations on your inclusion in the **Times Higher Education World University Rankings 2019**. I look forward to continuing our dialogue in the coming year and working to support King Mongkut's University of Technology Thonburi in their endeavors.

Best regards
